The January meeting of the Mentone Flying Club was held in conjunction with the MFC Annual Dinner, at the Rochester Meat and Deli at 18:30.

Bill Willard raffled off several items of interest and President Flynn kept the crowd entertained with a slideshow from MFC events spanning several years. Bob Wilson read "a pilots prayer" and blessed the food.

Members and their guests enjoyed a well prepared meal and were entertained by Liza and Mark with dinner music.

Members then introduced themselves, their guests, as well as sent zingers flying in Col. Al's direction. All in good fun of course.

Tom Flynn then highlighted the past years club accomplishments, individual accomplishments, as well as future goals for the club, painting of the south stairs, shopping for liability insurance, and enlarging the apron in front of the north hanger.

The reading of the December minutes, treasurers report, and vice presidents reports were waived for the evening and will be reported in full at the February meeting.

The evening was then capped off with several more selections from Liza and Mark.
