

## **Mentone Flying Club June 2004 Newsletter**

The first trash pickup of the season took place on the first Saturday in May as planned. All three aircraft were washed and waxed in preparation for the Pancake & Sausage Breakfast on June 12th. We had a nice cookout and Brent Prior won the spot landing contest.

Two club members have been disciplined by the Board of Directors for violation of the 90 day currency rule as stated in the MFC Bylaws/Operating Rules under Eligibility, paragraph 3. Disregard of MFC Bylaws and/or Operating Rules will not be tolerated.

Nine members of the MFC flew to Sporty's Pilot Shop in Batavia, OH on May 22nd. Sporty's President Michael Wolf took the group on a tour of the facility and grounds. Pictures can be found on Sporty's web page in the "News" section ([www.sportys.com](http://www.sportys.com)) and on the MFC web page ([www.mentoneflyingclub.com](http://www.mentoneflyingclub.com)). Many thanks go to Dan Christman for organizing and promoting the trip.

The Pancake & Sausage Breakfast is scheduled for Saturday, June 12th. Serving starts at 7 AM. There are still some "help" spots on the signup sheet on the office door that need to be filled.

The May meeting agenda involved much discussion about how new members are accepted into the MFC. This discussion will continue and may possibly include amending the Bylaws. This serves as proper notice for that purpose.

Next meeting: June 18th at 7PM  
Safe and happy flying!  
Rex
