

Mentone Flying Club June 2005 Newsletter

It's official....the membership voted, at the May meeting, to amend the Bylaws, to eliminate the 10%-75% hull liability rule that has been in place for decades. Effective June 1st, MFC pilots must either participate in the MFC Hull Protection Program or provide commercial insurance (AVEMCO, AOPA, etc.) that covers 100% hull replacement coverage in order to have flight privileges. The majority also eased the first buy-in cycle for the HPP by allowing payment of the \$200 to take place over the next 6 months. Arrange this with Bill Willard. Following HPP cycles must be paid up by June 1 of every year for flight privileges to remain uninterrupted.

Effective July 1st, monthly dues increase to \$20/mo as set by the Board of Directors. Hourly rates will remain unchanged throughout the summer. The next rate evaluation is set for October.

All aircraft have been washed and waxed for the Pancake and Sausage fundraiser coming June 11th. "Big Dave" Miller provided the grilled goodies afterward along with a homemade strawberry ice cream that was absolutely excellent. Bob Wilson won the spot landing contest with a score that could only be tied.

Aircraft are in good shape and ready for summer.

We are still looking for club members who want to sell items on the website. A "Trading Post" is soon to be added to the club website to facilitate members buying/selling/trading their "treasures". Anyone wanting to put something up contact [Dan Christman](#) our club webmater.

Also, anyone wanting a mentoneflyingclub.org E-Mail address please contact [Dan Christman](#).

June 11th – Pancake and Sausage Breakfast Please sign up to help out if you haven't already.

June 17th – MFC meeting at 7:00 p.m.

Next meeting: June 18th at 7PM
Safe and happy flying!
